

2024 Basset Fauve de Bretagne Club of America AMBASSADOR AWARD

Nominations are now being accepted for the 2024 Ambassador Award. The purpose of this award is to recognize a dog who has brought a significant and sustained contribution to the Basset Fauve de Bretagne breed. This contribution is defined as a dog who has proven to represent the outstanding qualities that the breed is known for. A hound full of enthusiasm who is on the ready for new adventures bringing a sense of social harmony wherever it goes, who is charming, active, friendly, creative, versatile and personality packed.

This can take the form of a variety of talents, which may include any or all the following examples:

1. Has brought attention to the breed by making a meaningful contribution which enriches the lives of its community.
2. Has demonstrated the human to dog bond in an extraordinary service manner.
3. Exhibits great pack hunting skills for which the breed is known for.
4. Accomplished in one or a variety of canine activities or sports that represent the qualities of a scent hound.

Please submit your nomination along with a description of why you are nominating the dog using the above criteria. We would also like you to include photos of the dog in various settings. These photos will be used for the presentation of the award.

Nominations need to **be received by August 10th** and the award will be presented at our 2024 Nationals at Purina Farms in September.

Please send your nominations to:
